Photos should show:

- the back of the instrument (excluding the neck and head)
- the front of the instrument (excluding the neck and head)
- the instrument's scroll from the side
- the ef-holes
- the label, if possible
- any stamp vibile
- The photos should be taken square-on, not at an artistic angle.
- Make sure the photos are in focus.
- Photos are best against a plain, neutral-coloured background.
- The instrument should be clearly lit but please do not use flash.
- Please send the photos to : brunelli.violin@gmail.com
